

# BLACK MAGIC

COLLECTION

**DELABIE**

# “design, architecture & functionality”

**DELABIE** is weaving - in modern spaces like museums, restaurants, company headquarters, airports - an essential link between design, architecture and functionality.

A renewed experience combining performance and elegance.

# BINOPTIC

**100% black chrome design**

providing optimal resistance to intensive use,  
90% water and energy savings, and complete hygiene:  
no manual contact, automatic anti-bacterial duty flush, smooth spout interior.

# BLACK BINOPTIC

At **DELABIE**, the move to more up-market public spaces goes hand-in-hand with the development of the **BLACK MAGIC COLLECTION**.

Anti-bacterial proliferation  
duty flush

Maintenance  
facilitated by LEDs

Smooth spout interior  
and low water volume

10-year warranty

Operates without  
manual contact

3 lpm flow rate

Matte black chrome finish

The BINOPTIC range makes its entrance into modern spaces in matte black.

## IT COULDN'T BE CLEARER

**BINOPTIC** represents a stylish and functional range specifically designed for public and commercial places.

- Operates** without manual contact
- Flow rate** of 3 lpm
- Anti-bacterial** duty flush
- Maintenance facilitated** by LEDs
- Smooth spout interior** and low water volume

DELABIE'S BINOPTIC  
electronic soap dispenser and taps  
are a perfect match thanks to their common design.

Already available in a wall-mounted version,  
now the deck-mounted version has arrived  
in public washrooms.

## TWO'S COMPANY

The aim of the game is to create a binary system in which utility and aesthetics work in tandem, creating relationships which are complementary rather than adversarial. Design defined by this equation brings objects to life and makes them vibrant.

**Total hygiene:**  
no manual contact, hands are detected by infrared sensor

**Multifunction:**  
compatible with liquid soap, foam or hydroalcoholic gel

**Easy to fill:**  
ingenious tank with clip-on system to make it intuitive for maintenance staff

Nothing is missing from this blend of technologies. Beauty and utility have never been so good together.

## 4-IN-1 DESIGN MIRROR CABINET

DELABIE's products are designed to combine utility with the style aesthetic of public spaces, aiming to bring a touch of beauty into people's daily lives.

**4 functions:**  
mirror, soap dispenser, tap and hand dryer

**Total hygiene:**  
no manual contact

**Vandal-resistant:**  
lock and standard DELABIE key

**Quick and easy to install:**

## THE ELEGANCE OF BLACK

This trend is now spreading to commercial washrooms. A truly decorative element, the minimalist and timeless design of DELABIE's UNITO washbasin is ideal for public and commercial places such as offices and hotels.

**Design:**

black is forever in fashion and a sure bet that is timeless

**Easy to clean:**

Teflon® or PTFE is a non-stick material

**Resistant to intensive use:**

made from 304 stainless steel (unbreakable), matte black Teflon® or PTFE finish

## ROUNDING OFF THE ANGLES

The washbasins are supplied without a waste, allowing specifiers to choose their decorative style: adding a black waste for a totally black ensemble, or a chrome-plated waste for a black/chrome mix-and-match look to match chrome-plated taps.

**Design:**

black is forever in fashion and a sure bet that is timeless

## GREEN GREEN GLASS

The devil is indeed in the detail.  
**Low-key, discreet, recessed and innovative:** urinal valves can be elegant too!

**Hygiene:**

## PAINT IT BLACK!

Teflon® is a non-stick surface. Scale, the main challenge to black finishes, will struggle to find purchase on the surface. Washroom cleaning and servicing is therefore simplified.

**Design:**  
black is forever in fashion and a sure bet that is timeless

**Quick and easy to install:**  
mounting from the front thanks to a stainless steel mounting frame

**Easy to clean:**

**WCs with cisterns are outdated!**  
Combining hygiene, water saving and ecology,  
the shortcut to the short flush is indispensable,  
and is revolutionising the loo.

**763030**

## SHORT THRIFT

Welcome to the era of cistern-less direct flush. The what?  
A flush system that connects directly to the water mains to prevent water stagnation.  
Farewell to leaky loos; no more waiting for the cistern to refill...  
And more plusses: space saving and improved aesthetics.

**Cistern-less direct flush:**  
no stagnant water

**Soft-touch operation**

**Front access makes maintenance easy**

## GAME OF THRONES

Design goes over to the Dark Side of the Force!  
Like a nod to the painter Soulages, the world of art and decoration also goes back to black.  
Instead of fading into the background, black takes centre stage. And light subtly brings out its depths and contrasts, both powerful and elegant.

**Design:**  
black is forever in fashion and a sure bet that is timeless

**Easy to clean:**

## BORN TO BE-A-LINE®

**What if "design" was available to everyone? Really for everyone.**  
Starting with those people with reduced mobility that require additional support.  
The Be-Line® range is a perfect example.  
Accessibility and comfort go hand-in-hand: an innate sense of aesthetics with safety a priority.

**Design for all:**  
combination of aesthetics, well-being and comfort

**Comfort:**  
withstands scratches and chemical products
